

ALL WOMEN, REGARDLESS OF INCOME, DESERVE EQUAL ACCESS TO UNBIASED INFORMATION ABOUT THEIR REPRODUCTIVE HEALTH CARE OPTIONS.

Support the Limited Service Pregnancy Center Accountability Act HB 1366 / SB 5274

What is a Limited Service Pregnancy Center?

Limited Service Pregnancy Centers, also known as Crisis Pregnancy Centers, offer pregnancy tests, anti-abortion pregnancy and health care information, and sometimes ultrasound imaging.

They provide no medical care other than pregnancy tests and ultrasounds without medical diagnosis.

What is the Problem?

Women, often low-income women seeking free pregnancy tests, go to these centers in times of crisis, in need of medical care and unbiased pregnancy information. Instead, they get false or misleading information about what services are offered, their patient privacy is not protected, their test results and medical records are withheld, and they are denied needed referrals for reproductive health care.

Is there a LSPC near you?

There are at least 46 such centers operating in Washington State, in 21 counties and 33 legislative districts.

LSPC Accountability Act Solutions

THE RIGHT TO KEEP MEDICAL INFORMATION PRIVATE

Requires the centers to protect the **privacy** of health care information collected from persons seeking services.

THE RIGHT TO MEDICAL TEST RESULTS

Requires centers to provide the tested person pregnancy **test results immediately**.

We believe ALL women deserve privacy, fairness and honest information about their healthcare:
